Dear Effie:

I know that you must be going around in circles trying to get the season started, so I thought that I might as well say two cents worth. But I think that everything points to a very successful one, judging by the questions and queries the warm weather the past week brought up.

Was by the hotel the other day and ~~not~~ took care of the bill for the last meeting. Itemized as follows.

Paper & Pencils .95
Service and Occupancy 2 days 7.
Total 7.95

No news of much interest ^{except that} Cubans won but ran into rain in New Orleans Sunday. Also many compliments on Pearson's play in the Chicago Tournament. Will close now. Regards to Afe and yourself.
Sincerely Frank Forbes
